REASONS TO PARTNER WITH NABLER

A SALESFORCE CERTIFIED PARTNER

**WHY
NABLER**

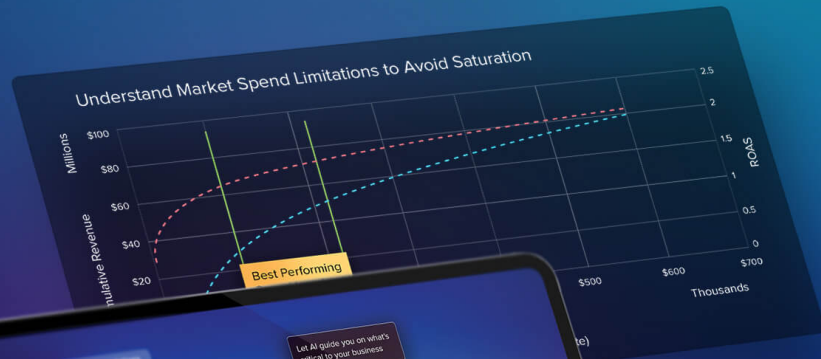

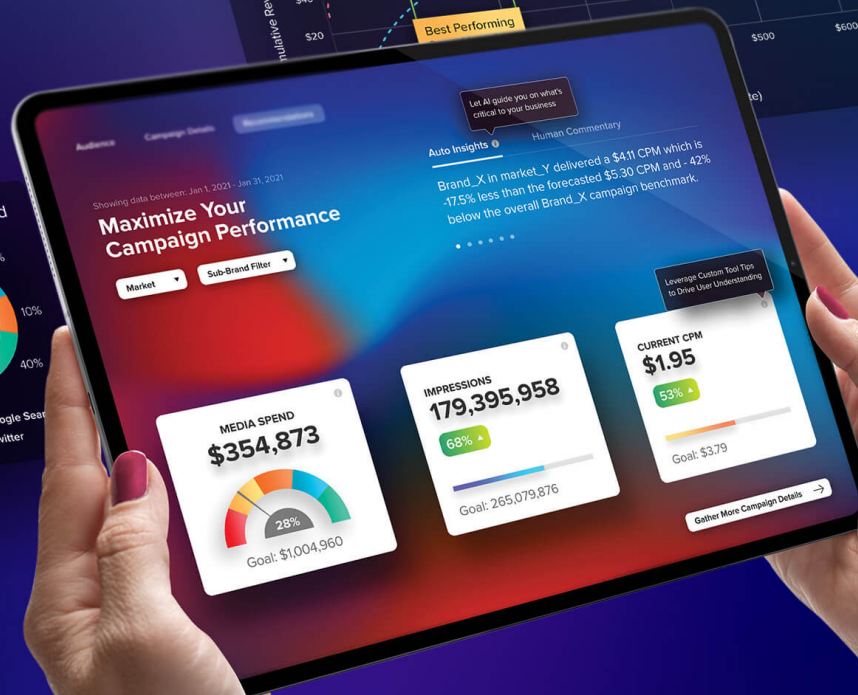

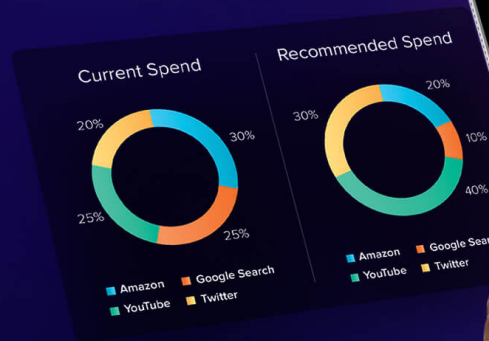

IN THEIR WORDS

“We have an ecosystem of consulting partners and system integrators, like Accenture and Deloitte and smaller companies like Nabler.”

Boaz Ram
Head of Technology Partnerships

DATORAMA AT THE CORE

Actual Datorama screens
designed by Nabler

REDEFINING LIMITLESS

INNOVATIVE

BUILD

BETTER DATA EXPERIENCES

WE ACHIEVE THIS BY:

Engaging with consumers to increase coordination across stakeholders by aligning your data strategy and objectives

Decoding consumer behaviors, needs and motivations to build stronger analytical solutions

Resolving factors that lower engagement and satisfaction

WE HELP YOU WHEN WE:

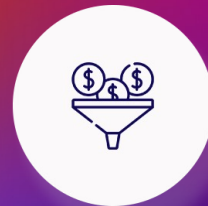

Identifying the right KPIs and visualizations that drive action, resulting in better decision-making

Organize data in the right context to drive analysis

Implementing the right features to drive adoption of applications, reports and dashboards

Understanding
the human side
of data

Displaying
metrics in
digestible
formats

Lowering the risk
of poorly
designed data
applications

NAVIGATOR LEVEL 2

TRUSTED

4.8/5

CSAT SCORE

The Salesforce Partner Project CSAT measures Salesforce customers' satisfaction with services provided directly by a Salesforce partner.

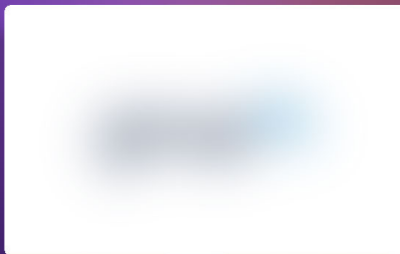

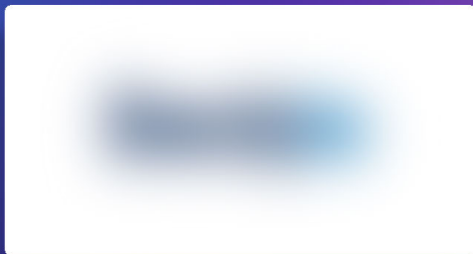

Partner Navigators are consultants recognized by Salesforce for their expertise and record of customer success.
